The Way to go to California.

Is in a tourist sleeper, personally conducted, via the Burlington Route. You don't change cars. You make fast time. You see the finest scenery on the globe.

Your car is not as expensively furnished as a place sleeper, but it is just as clean, just as comfortable, just as good to ride in and nearly \$20.00 cheaper.

Painted glass high back seats; a uniformed Pullman porter; clean bedding; spacious toilet rooms, tables and heating range. Being strongly and heavily built, it rides smoothly; it is warm in winter and cool in summer.

In change of each excursion party is an experienced excursion conductor who accompanies it right through to Los Angeles.

Cars leave Omaha, St. Joseph, Lincoln and Hastings every Thursday, arriving San Francisco following Sunday, Los Angeles Monday. Only three days from Missouri River to the Pacific Coast, including two stop-overs of 1 1/2 hours at Denver and 2 1/2 hours at Salt Lake City, two of the most interesting cities on the continent.

Sylvan Lake, besides being the prettiest spot in the Black Hills, is one of the most popular. Go there if you would escape midsummer's heat. The railroad ride to Spearfish is one of the experiences of a lifetime. Thousands make the trip every year. Spearfish Canon, through which the railroad runs, is worthy of comparison with the finest scenery in Colorado.
